

June 2022

Dear Marshfield Pirate,

The purpose of this letter is to first and foremost thank you for your continued support of the Pete Susick Stadium project. Without your support, and the support of this community, we would not be looking at a completed roof over the south grandstands, and five nearly completed state of the art viewing boxes ... which were Phase I and II of the project.

Phase III includes three major components: 1) making the south grandstands completely ADA compliant so folks needing special accommodations will be able to easily access this stadium, 2) restrooms, and 3) concessions stands complete with disaster relief enhancements. The last component of the Pete Susick Stadium will be the completion of The Quarterdeck where we will be recognizing all of our donors.

To finish this phase, we are needing approximately \$45,000. To this end we would like to invite you to a unique fundraiser to be held at Butch and Lou's Boathouse in Charleston, OR. Butch Shields and Lou Leberti (both MHS Class of 1965) have graciously agreed to put on one of their FAMOUS seafood extravaganzas that will include all the seafood you can eat along with salads and desserts. Wine, beer, soda and water will be provided.

Once a Pirate Always a Pirate!!

Sincerely,
Pete Susick Stadium Committee
